

HD CLEAN

FOR OIL, GREASE AND GRIME

A heavy-duty non-acidic degreaser that cuts through oil and grease that dissolves and emulsifies heavy stains.

FEATURES

-  BIODEGRADABLE FORMULA
-  PREVENTS OIL SPILLS
-  ANTI-CORROSIVE
-  EASY TO USE

FOR USE ON

PREVENTATIVE MAINTENANCE

HIGH REPAIR/CLEANING COSTS

THE NANO-SCIENCE

Our Degreaser is a biodegradable, water-based heavy-duty cleaner that easily cuts through oil, grease and grime. It cleans and dissolves heavy soils, and is ideal for sensitive surfaces as it generates no acid or acidic byproducts. It emulsifies the grease and harmlessly biodegrades it, making it easy to use, and sustainable for the environment!

APPLICATION

SURFACE PREP

- Wipe all surfaces clean of dust & debris.
- Wear protective gloves & gear before applying

APPLICATION

- Spray liberally.
- Allow liquid to run off.
- Use extension tube for hard-to-reach areas.
- Allow equipment to fully dry and vent before reuse.
- Using a dry, absorbent cloth can accelerate drying time.
- Do NOT use on acrylic, abys or polycarbonate.
- Test on a small area prior to full scale application.

ESTIMATED CONSUMPTION

- Up to 162 sq.ft. per gallon, dependent on properties of surface and the efflorescence load..
